KIDS FUN BAKING PARTIES

COME EXPERIENCE A PARTY WITH A DIFFERENCE!

At Tots n Pots, we host cooking parties for children aged between 2-12 years old. Your child gets to be head chef for a day while they learn the basics of cooking. Through experimenting with new tastes & textures, they learn a great variety of new skills, such as mixing, mashing, pouring, measuring & stirring!

All of this, while creating their very own masterpiece to take home. Allow your child to enjoy a **no fuss party** that will allow you to spend quality time with them and of course you can leave the mess to us!

A great idea for both boys & girls
